Crematorium Memorial
Memorial Wall - Large Granite Plaque
Our bespoke designed Memorial Wall is located next to our lawn for the witnessed scattering of cremated remains.

Being crafted from polished black Granite and mounted securely within the wall, the large plaque (215mm x 215mm) can accommodate up to eight lines of text with a small illustration or small Photo Plaque. Please contact our office to discuss these items further where required.

Supply and fitting of the plaque will take approximately two months from the time of ordering and we will write to you confirming its receipt and placement in the grounds.

The initial dedication period is 10 years and can be renewed thereafter at five yearly intervals on additional payment at that time.
Memorial Wall Granite Plaque – Large

Guidelines for completing the Inscription for a large plaque:

1. As Name text uses a larger typeface than the rest of the inscription, they should ideally not exceed 15 letters as indicated by the dotted line and be kept to lines 1 and 2. Please write clearly in BLOCK CAPITALS with only one letter, number or character per box. Where you require an illustration or photo plaque do not use the grey shaded boxes, and don’t forget to include spaces in your text. A space counts as a letter, number or character. This guide box is only to aid your choice of inscription, our manufacturers will centre the text on the plaque.

2. Please do not use the blacked out boxes, as these are where screw fittings will go.
Please read the following terms & conditions before signing the declaration below:

1. Upon payment of the necessary fee, the dedication will be for an initial period of 10 years from the date of payment.

2. The dedication period may at the Council’s discretion be renewed at the end of the period subject to the regulations then in force.

3. Should the dedication period expire the Council reserves the right to remove the plaque from the crematorium grounds. The plaque remains the property of the Council.

4. The Council reserves the right to remove any unauthorised items in the vicinity of the plaque or elsewhere in the crematorium grounds.
