As part of our Memorial Path within the crematorium grounds we have provided a range of polished Granite Kerbs incorporating a small posy holder, specifically designed to encompass a polished black granite plaque for inscription.

Each plaque measures 203mm x 89mm and can accommodate inscribed text from a range of six differing fonts, together with handcrafted illustrations and also ceramic photo-plaques copied from your own photographs. Please contact the crematorium office to see samples and available styles.

The initial dedication period of a Granite Plaque is 5 years after which the lease may be renewed at five year intervals on additional payment at that time.

Payment is required by card over the telephone on 01892 523894 or in person at the Crematorium office.
