CREMATORIUM MEMORIAL WILLOW TREE MEMORIAL

The Willow Memorial Tree is a most welcome addition to our memorials within the grounds of the Crematorium. Distinct by design, the 300 granite leaf plaques offer the bereaved bespoke designs symbolising a personal tribute to loved ones.

The overall size of the memorial tree is approximately 5ft x 5ft, with hand crafted granite trunk, the branches are made from weathered "Corten" steel which quickly adopts an orange/brown anti-corrosion "rust" finish. All fixing are high quality stainless steel.

Each Leaf is 4x2" handmade granite which is sand blasted with a basic inscription in Silver lettering.

Selection of the leaf position will be allocated at the discretion of the Crematorium Office on an available space. Supply and fixing of the leaf will take approximately 6 to 8 weeks from the time of ordering and we will write to you confirming its receipt and placement.

The initial dedication period is 5 years and can be renewed thereafter at five yearly intervals on additional payment at that time. If you choose not to renew the leaf will be available to keep as a memento to your loved one.

Should you wish to witness the fixing of the plaque please contact the crematorium office to discuss this and any other requirements.

Please read the following terms & conditions before signing the declaration below:

- 1 Upon payment of the necessary fee, the dedication will be for an initial period of 5 years from the date of fixing.
- 2 The dedication period may at the Council's discretion be renewed on expiry subject to the regulations then in force and payment of the relevant renewal fee.
- 3 The Council reserves the right to remove any unauthorised items in the vicinity of the Willow Tree memorial.
